

WORLD STATISTICS DAY CELEBRATION IN BERMUDA

The following events are planned to observe World Statistics Day in Bermuda:

1. Publish a statement in the print media to highlight the significance of World Statistics Day with an history of the Department of Statistics
2. Publish an advertisement in the print and electronic media to thank all users and providers of statistical information.
3. Issue a press statement from the Director of the Department of Statistics about the importance of the Census and other official statistics.
4. Run a statistical quiz on the Department's website and Facebook page
5. Display UN posters in Government buildings and high traffic buildings.
6. Feature a Statistics Day video on the Government television channel (CITV) throughout the entire month of October on the Department's website and Facebook page.
7. Feature a link to the UN site for World Statistics Day on the Bermuda Government Department of Statistics website.
8. Celebrate the hard work of employees of the Department of Statistics with an evening repast.

Bermuda, 30 September 2010
