

## World Statistics Day in Chad

Chad will be celebrating World Statistics Day on 20/10/2010 with an event titled “Celebrating the achievements of public statistics”.

In order to coordinate the celebrations a Committee has been created and is organizing the following activities:

- ~ The Minister of Economy and Planning will be delivering a speech to be broadcasted in TV and radio
- ~ The Director of the INSEED will host a Conference on the great achievements of Chad’s statistical system
- ~ Banners will be displayed on the city’s main streets

Chad, 14 October 2010
