

## **WORLD STATISTICS DAY CELEBRATION IN GREECE**

The Hellenic Statistical Authority (EL.STAT.) welcomes the initiative and joins the global celebration of the 20<sup>th</sup> of October 2010, planning the following actions:

- Inform the public and stakeholders on World Statistics Day (WSD) through media and via the website of EL.STAT.
- Publish a press release on WSD in journals and statistics-oriented publications
- Develop and distribute posters, souvenirs, leaflets related to the event
- Officially introduce the new Mission Statement of EL.STAT.
- Print a stamp (special edition) referring to the WSD
- Award the best essay on a statistical topic from submissions of secondary education students
- Recognize dedicated and/or highly contributing staff of EL.STAT.
- Introduce the new ISI Code of Ethics in Greek
- Organize a User's Conference (20/10/10)
- Organize an Open Door Day (20/10/10) in the headquarters of EL.STAT. focusing on services provided by EL.STAT. to users. An exhibition of the history of the Statistical System in Greece, using material from the historical archives of EL.STAT. will take place in the premises of EL.STAT.
- Give a reception at the end of the day
