5.1. Data sources

For purposes of tourism statistics, MPD can be obtained from systems of MNOs and from social media platforms as described in this section. To meaningfully use information from MPD, other data sources for tourism statistics are also needed and discussed in this section.

- 5.1.1. Data from systems of MNOs
- 5.1.2. Data from social media
- 5.1.3. Other data sources – reference data
