Online International Merchandise Trade Statistics 2010 Compilers Manual

The IMTS2010 Compilers Manual contains detailed explanation of certain recommendations and provides practical guidance for compilers by describing good or best practices applicable under different circumstances. The Manual promotes the adherence to good practices and recommends specific solutions to compilation issues related to international merchandise trade statistics.

Online Compilers Guide for the Manual on International Trade in Services 2010

The Compilers Guide serves the purpose of harmonizing and improving the ways in which statisticians at the national level collect, compile and disseminate trade in services statistics. The Guide provides the international statistical community with guidelines, best practices, case studies, and practical advice on the compilation of the trade in services statistics.

Online International Recommendations for Tourism Statistics 2008 Compilation Guide

The International Recommendations for Tourism Statistics 2008 Compilation Guide is a companion document to the International Recommendations for Tourism Statistics (IRTS 2008). The primary purpose of this Compilation Guide is to provide further clarifications and practical guidance.
for using sources and methods to compile statistics on tourism. It is designed to support the production of a high quality set of basic data and indicators in each country, and to strengthen the international comparability of tourism statistics.
